Greetings from Heritage of West Nyack!

Greetings from Heritage of West Nyack! For those of you who do not yet know us, we are a civic association representing the great Hamlet of West Nyack. Our projects range widely from historical preservation to advising on the upcoming West Nyack Revitalization capital improvement project to presenting informational programs at our meetings about important local events, all with a goal of improving and educating the West Nyack community. This year we also presented our first annual Heritage of West Nyack Scholarship to graduating South senior Marco Amendola and were proud to support West Nyack's own Daniel Smith Jr. on his Eagle Scout project at the historic Traphagen property. We invite all of you to read our newsletter, visit one of our monthly meetings, held the first Thursday of every month at 7:30 PM at the Traphagen House on Germonds Road, and attend our annual Fall Festival in October. Now more than ever it is critical that we make sure our community is aware of the issues affecting our Hamlet. Our organization does not require attendance or ask for commitments. We just encourage our proud members to participate to whatever degree they are able in our efforts to improve West Nyack. We look forward to meeting you!

Michael Gach, President

FALL FESTIVAL
OCTOBER 22, 2017
12-4PM RAIN OR SHINE
