In Dedication to Mark Brecher

Heritage of West Nyack was deeply saddened by the loss of long-time board member Mark Brecher in June. He was one of the founding members of the West Nyack Vision Plan Advisory Committee, which later became Heritage of West Nyack. Mark resided in West Nyack since 1973 and was the owner of the West Nyack based company Plastic Craft for over 50 years. He traveled the world, and yet there was no place he would rather be than West Nyack. Always the first to ask what Heritage needed, Mark would often use his own resources and staff to contribute to the group. We will always remember our friend, Mark Brecher, and we know he will be smiling as the West Nyack Revitalization is nearing completion.

Heritage would thank Nibi Mathai from Plastic Craft for all his assistance over the years.
